Re: Certified Nursery & Landscape Professional Review & Exam (CNLP) – 2012

The Louisiana Nursery and Landscape Association have scheduled the certified nursery and landscape professional manual review and exams for 2012. The schedule is as follows:

March 1 – 2 Hammond Research Station, LSU AgCenter, Hammond

August 2 - 3 Ira Nelson Horticulture Center, ULL, Lafayette

Manual reviews will be held on Thursday from 9:00 a.m. - 4:30 p.m. and Friday from 9:00 a.m. - 11:45 a.m. The exam will be administrated at 1:00 p.m. on Friday. There are five sections to the exam:

Section 1 - Plant Classification, Growth and Development

Section 2 - Understanding Pests and Their Control

Section 3 - Culture of Nursery Stock in Retail Yards

Section 4 - Landscape Contracting, Tree and Turf Management

Section 5 - Plant Identification

Primarily, persons in the retail garden center and landscape contracting/maintenance areas of the 'Green Industry' participate, however the course is also recommended for wholesale growers, irrigation contractors and Master Gardeners. The manual review is also excellent preparation for those desiring to take the Louisiana Department of Agriculture and Forestry's landscape horticulturist licensing test. The CNLP was established to provide a professional educational opportunity for 'Green Industry' professionals.

Please contact me, by phone (225)578-2222, fax (225)578-0773, or e-mail dgill@agcenter.lsu.edu, if you have any questions in regard to this year's certified nursery and landscape professional programs.
